

Introducing...

VAISHALINI

Vaishalini is an American pop-R&B singer, songwriter, and record producer from Phoenix, Arizona. Songs from her soon-to-release debut EP have garnered millions of streams and video views across platforms.

Fans say Vaishalini's genre-defying music "makes you feel like you're in a movie," melding synthwave and modern RnB to create a distinctive, cinematic sound. She draws inspiration from her roots in Indian classical music, as well as a penchant for smooth jazz & Motown-inspired pop.

A lifelong performer (and dancer since age 4, Vaishalini has appeared on stages around the world: from top local venues to global heritage sites. Reach out to mgt@vaishalini.com for more details!
